**Get the Right Person  
For the Right Job**

### Metal Scarp Handling Services

We are scarp vendor in scrap management business since 2000 .And our scrap business is a professionally managed organization providing one of the most certified scrap disposal service to various corporarate in Saudi Arabia.SA Contracting Est. we collect scrap metal and use it for metal recycling. We aim to recycle as much scrap metal as possible, to ensure an eco-friendly and environmental solution to the excess waste in landfills currently.

Working with businesses and domestic customers alike, we help to collect and recycle scrap metal responsibly and efficiently. Our calibrated and highly accurate weighbridges make sure every bit of scrap metal we buy is weighed accurately, so that our customers will always get the correct price. Though most of our metal collections come from trade sources, we also purchase scrap metal from the public and domestic sources as well. So, if you have a large amount of scrap metal that is suitable for recycling and disposal, get in touch and we can arrange for this to be collected from your site.

### How to dispose of scrap metal?

We can offer a variety of container and collections to suit your requirements, if you have large amounts of scrap metal that need collecting. You can also bring your scrap metal directly to one of our sites.

- ◆ Steel Scarp or Steel pipes, plates
- ◆ Office Dismantling Services
- ◆ Ware House Demolition Services
- ◆ Machinery Scarp
- ◆ Wooden Scarp
- ◆ All Kinds of cables and Wires

## Fresh Fruits and Vegetable Supply

We provide a realistic and alternative competitive commercial solution for National and Local Independent Foodservice companies in a fragmented and constantly changing market. Delivering consistent and transparent product quality, service and pricing to all customers. We bring all the benefits and the expertise of sourcing locally on a National scale, combined with the advantages of a flexible service proposition. We have an effective and efficient supply chain with a comprehensive range of products, whilst offering all customers the ease of a central point of contact for all their core, everyday essential products.

Fresh fruit and vegetables not only taste better, but are better for you and keep longer. All your produce is delivered and kept cool to ensure your food remains in the best possible condition. Just like the fruit, all our vegetables are available either loose or prepacked
